

Leighton Art Centre Virtual Field Trips

Virtual Art and Nature Field Trips

Let us bring the Leighton Art Centre to your classroom virtually! New programs designed for virtual visits and art projects. Learn about the history of the Leighton Art Centre as well as A.C. Leighton's role with the CP Railway, Secondary Education in Alberta and the Alberta Arts. Discover Barbara Leighton's contributions to art education and how she created the Leighton Art Centre.

Programs consists of a museum talk with artifacts, nature exploration through the use of animal artifacts, sketching/drawing lesson and main art project. Our educators will work with each classroom teacher to meet the needs of your class and cater our programs to meet your curriculum goals. Supplies for art projects and sketching will be delivered to your classroom 2-3 days prior to your online lesson. New Junior High programs available for art, social studies and science.

Funding is available. Please email education@leightoncentre.org for further information and to book.
